Find a Dentist

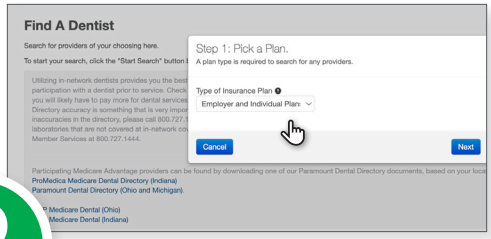

How to find an in-network HRI Dental provider.

1

Go to insuringsmiles.com

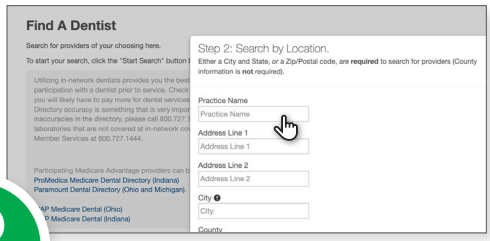

Select "**For Members**" from the top navigation and look for "**Find a Dentist**" in the dropdown menu.

2

Pick a plan.

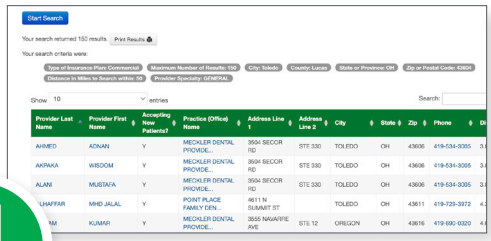

If you have a dental plan through your employer or an individual dental plan, select "**Employer and Individual Plans**."

3

Search by location.

Enter your desired search criteria including zip code, city/state or provider last name. You will also need to search by dental specialty including oral surgery, pediatrics, general and periodontics. Click the search icon when you have completed all required fields.

4

Provider listing.

- Each search result includes dentist name, practice name and directions to the office.
- Although the HRI Dental directory is updated frequently to reflect the most current data, we encourage you to reach out to your provider to verify their network status.
