Blanket & Stuffed Animal Donations

Our Infection Control Policies do not allow Child Life to accept stuffed toys that have been previously loved. Items such as ScentSoy Buddies, Squishmallows and other stuffed animals/characters **MUST** be brand new with tags. Items are inspected by staff and any that are previously loved/used will not be given to patients.

Blankets are provided by Fleece & Thank You. This organization works closely with the hospital to ensure all blankets that are given to the patient are clean and free of pet dander and scents that may be harmful to our patients. Please reach out to Fleece & Thank You if you would like to make a blanket with them that is donated back to the hospital.
