

### Huntington Disease (HD) CAG Repeat Expansion

*Notification Date: 8/14/2026*

*Effective Date: 8/18/2026*

**New Test ID:** HDCAG

**EPIC:** LAB4588

**Specimen Requirements:**

- EDTA or PINK
- Collection Volume is 2ml (Minimum 1ml)
- Send Room Temp or Refrigerated.

**Turnaround Time:** 7-10 days

A completed HD-specific consent form, signed by the patient (or legal guardian) and physician, is required for all specimens <https://ltd.aruplab.com/api/ltd/pdf/23>. Testing for asymptomatic patients under the age of 18 years is not offered. Presymptomatic patients are strongly encouraged to be tested through a counseling program approved by the Huntington Disease Society of America at 800-345-4372. Call Genetic Processing with additional questions at 800-242-2787 ext 3301.

For questions, please contact ProMedica Laboratories Customer Service at 419-291-4134 or visit: <https://ltd.aruplab.com/Tests/Pub/3016908>
