

PROMEDICA ORTHOPAEDIC INSTITUTE 2025 | ANNUAL REPORT

ProMedica Orthopaedic Institute has the largest and most experienced team of orthopaedic surgeons and specialists in the region. As the leader in orthopaedic care, we continue to strive to provide our communities with the latest available treatments for bone and joint issues. With 13 office locations and the region’s only orthopaedic specialty hospital (ProMedica Wildwood Orthopaedic and Spine Hospital), we provide state-of-the-art orthopaedic care in northwest Ohio and southeast Michigan.

INNOVATION

Research

ProMedica Sports Medicine Institute

The purpose of the ProMedica Sports Medicine Institute is to provide comprehensive multi-disciplinary care to injured athletes of all ages. From professional, collegiate, recreational and youth athletes, our team uses the most advanced methods to evaluate and treat injuries.

IN 2025, PROMEDICA HAD 3,623 VISITS AND 1,395 NEW PATIENTS.

Community Engagement

The ProMedica Sports Medicine Institute team is trusted by professional and collegiate athletes who want to recover safely and perform their best. Our team works with the Toledo Mud Hens, Toledo Walleye, Toledo Villa FC and the University of Toledo to prevent, recognize, manage and rehabilitate injuries with our comprehensive wellness programs.

ProMedica Sports Medicine Institute also provides athletic trainers (ATC) at contracted local high schools and junior highs, and works directly with Total Rehab Sports Medicine to accentuate the multidisciplinary team approach.
